

Improving Lives... *One Person at a Time*

We all have problems.
*Sometimes, we need
a little help solving them.*

Everyone faces stress at one time or another. Whether it is trouble at work, family difficulties, or just plain not feeling well, none of us can cope with all life's challenges on our own.

Fortunately, Swanson Center is here for you when things get tough. For over 40 years, our dedicated staff has been serving people in LaPorte County. With our helpful staff, hometown roots, and longstanding ties to the community, we care about you as a person and a fellow neighbor.

Our team of licensed mental health professionals stand ready to serve you with respect, compassion, and confidentiality.

Having a secure, confidential place to talk about your problems is one of the most important aspects of counseling. Trusting in people that you confide in is our utmost concern. Our services are strictly confidential.
